

## **Connecticut's Pond Point Animal Hospital Launches New Website: Focus is on Customer Service and Pet Health Care**

(Milford, CT) September 30, 2009– Pond Point Animal Hospital, a 36-year-old Connecticut veterinary clinic, is announcing the launch of their brand new website found at [www.pondpoint.com](http://www.pondpoint.com). The site's streamlined design reflects their dedication to exceptional pet health care, specializing in the health of companion animals (dogs and cats).

According to Dr. Paul Rumble, veterinarian and pet clinic director, "We were ready to bring our site up-to-date with a fresh look and more user-friendly options. Our aim is to educate our clients, and we've made it easy to find both excellent pet supplies and current information on maintaining a pet's health on our new website."

Features of the new site include a pet supply store, user-friendly navigation and easy to find information about the hospital's veterinary services, including current information about the practice and the world of pet health care. Other features include a detailed section of vet services, clear contact information, and directions to Pond Point Animal Hospital, which serves Milford, Orange, West Haven and Stratford.

This Milford veterinarian's services include routine exams and vaccinations for cats and dogs, dentistry, surgery, geriatrics, out-patient care, hospitalization, case referrals, pet boarding, and drop-off services. The clinic also attends to veterinary emergencies during normal office hours, and refers clients to the Shoreline Veterinary Referral and Emergency Center during after hours for emergencies.

### **About the Veterinary Practice**

Founded in January of 1973, Pond Point Animal Hospital has grown throughout the years. It helped to found the Shoreline Animal Emergency Clinic in Stratford, CT, a 24/7-care unit. Dr. K. Paul Rumble is the practice's owner, and has a team of nine professional, dedicated pet health specialists working along side of him.

Paul Rumble D.V.M. is a 1969 graduate of the Ontario Veterinary College and has been associated with Pond Point Animal Hospital since 1985. His special interests include animal dermatology, orthopedics and internal medicine.
